BIKE WORKS

Bike Works provides bicycles to residents of Saratoga County who are willing to invest some time to learn the basics of bike safety and bike maintenance.

With the help of Stewart's Corporation, new or lightly-used bicycles are given to deserving individuals for recreation, transportation, and as a means of promoting a healthy lifestyle.

With a focus on education and developing a commitment to biking, CAPTAIN CHS staff and community volunteers teach bike safety, maintenance, and repair to area youth throughout the year.
