Volunteer Spotlight:

MARY ANN BUTLER

Mary Ann Butler retired after 35 years with the New York State Department of Education Office of the Professions. She has two children that are the highlight of her life. She also has three grandchildren, (Addison and Cole, who live in New Jersey, and Joseph, who lives right down the road from her). MaryAnn shares that one thing that she enjoys with her grandchildren is sharing her “senior stories” with them. She wants them to know and understand how much volunteering and/or helping in any way is one of the most important things they will do in life.

Care Links Volunteer in the Spotlight: Mary Ann Butler

We asked Mary Ann to share in her own words about her experience in making a difference in the lives of those she encounters through the Care Links program.

What made you decide to volunteer with Care Links?

“I have always known that volunteering is a large part of what makes the “world go round.” All through my life, I have served whether it be at church, school, or the local food pantry. I feel I have been called to serve. Since retirement, I have found myself drawn to our elderly population, and I am loving it and them.”

What have you personally gained through your experience with Care Links, what have you enjoyed the most?

“Once I retired, I was having as most people do, a little trouble with how I would fill my days. I knew I would volunteer, I know many places had helped me through difficult times in my life, so I began my search. I learned of CAPTAIN CHS after they assisted me after my fire. I knew they would be my first stop. I began by just helping at events then with the Christmas store, homework help, and the food pantry. I have been everywhere, however, the most fulfilling for me is Care Links. I’m not sure I knew that I needed these loving, vibrant, caring seniors in my life, but now that I have them I can’t see my life without them in it.”

How do you make the most out of your experience with the seniors you come into contact with?

“We have fun. I promise myself that I will make someone smile each day. My seniors make it easy for me to do that. I show up, they smile, and that makes my day. “

What advice would you give to someone interested in volunteering with the Care Links program?

“Please give it a try; you don’t know how much you have to give until you start.... Plus, the feeling of being needed is amazing!”

If you or someone you know would like to volunteer and build rewarding connections with seniors in the community, where what you do makes a difference, contact us today at 518-399-3262 or visit our website captaincares.org/care-links.

Care Links In Action

Maria Spagnola from Home Instead visits the Care Links family to share about "recognizing the signs and differences between depression and anxiety in the senior population."

Mark Kearney from the Community Hospice visited the Care Links family to provide an overview of all the many services of Hospice as well as a discussion on grief.

Care receivers and volunteer caregivers alike had a great time socializing and eating great food at the Care Links Lunch Club!

Our most sincere thanks and appreciation to the Anonymous Family who so diligently prepared, packaged, and delivered amazing **Thanksgiving Day meals** to 31 of our care receivers this year. This profound gesture of generosity is truly heartwarming!

Miss Marilou also came out to help deliver the Hannaford turkeys!

The 2nd Care Links Senior Resource Fair was a total success.

A BIG thanks to all who helped with the set-up and clean-up!

Our wonderful team of volunteers "answered the call" when one of our lovely care receivers, Connie had to move on short notice. It was great to see everyone pull together to help where needed. You know what they say, "many hands make light work."

Program News

The “Adopt a Grandparent” Program

4-year-old Mia Bella, our junior volunteer, was recently recognized as a “Star Student” of Mother Theresa Academy for her volunteer work with the “Adopt a Grandparent” program. Her matched “Grandparent,” Miss Marilou, was also chosen as a “mystery reader” for story time in Mia Bella’s school! Pictures on page 6.

If you have a youngster (or teen who is looking to do community service) or maybe you are part of the Adult Orphan Club and would like to have someone you can share your heart with by providing Friendly Visits to seniors in Southern Saratoga County, please contact Terra at Terra@captaincares.org or 518-399-3262.

Giving Tree

Our heartfelt thanks and appreciation go out to All Saints Round Lake Church for coordinating this year’s Giving Tree project to provide generous gifts to several of our care receivers.

Senior Holiday Project

Here are some examples of holiday/season-specific things you could do with our Care Receivers:

Winter Holiday Needs: *Care Links volunteer “Elves”*

- * Donations of small items for gifting (Chocolates, Candy Canes, etc.)
- * Volunteers for 2-day commitment to set up and put away holiday decorations at seniors’ homes
- * Volunteer Carolers to visit Care Receivers during the holidays with music and merriment

Care Links Passion/Talent Highlight

New for 2023!

From The Program Manager's Desk

Dear Team,

As we come to the close of another year, I ponder on all of the joy and sadness we have experienced over the last twelve months. Having made new friends and saying “goodbye for now” to our dear ones.

We have seen tremendous growth in the Care Links program through our volunteer involvement and have had many memorable moments. Expanding our knowledge on the many resources available to seniors, developing relationships with local churches, organizations and businesses in our community with speaking opportunities (which you all know, I can talk!)

We are building the bond between the team and care receivers with monthly gatherings and the Care Links Lunch Club. We were entertained and uplifted with “Our Trip Down Memory Lane Concert” and “An Evening with Benita Zahn.” We have introduced the Adopt a Grandparent Program and welcomed Miss Marilou as our Care Links Care Receiver Ambassador. We have grown our “Senior Holiday Project” with the support of our team and community in bringing joy and smiles to the faces of our seniors.

The list is endless, and I am forever grateful for the hearts of my wonderful team. I am honored to be welcomed into the homes of our beautiful seniors to learn about their lives and hear the stories they have to share. I am saddened by the loss of those who have left us, feel blessed to have known them and will remember the stories and lessons learned from them.

As we look to the start of a new year, I wonder how do we wish to be remembered? What is the legacy, we will leave? What story will those who have encountered us, remember?

Recently, I received an email from a dear friend of one of our senior ladies who passed away. She wrote, “I SO appreciate the love, patience, care and humor you brought to Joanie, and how I've come to know you and more about Care Links because of her.” These words spoke volumes to me. I loved Joanie and my visits with her. They often began with a little sadness but after a few minutes, we shared much laughter, as she liked me to tease her as I would my own nana.

It is often said, “People won't always remember what you say but they will remember the way you made them feel.” Let us look to the future (as we learn from the past) and make each moment spent in another's company, something to enjoy and remember.

Sincerely,

Terra Maddalone-Ristau
Senior Services Program Manager

Miss Marilou's Care Links' Corner

Hi Everyone!

As some of you may be aware, in addition to being the Care Links Ambassador, I am involved in the Adopt a Grandparent Program and enjoying every moment of my time.

I have been “matched” to my little, tiny, angel MiaBella, she is four years old and we have so much fun together! Little children make you giggle as they see the world for the very first time in learning about life.

Recently, I was invited to be the “mystery reader” at MiaBella’s school, Mother Teresa Academy in Clifton Park where MiaBella was to be presented with the Star Student Award that same day for her helping others in her class as well as being a volunteer in the community with Care Links.

As she is my volunteer, it was wonderful for me to be able to share in her special day and to share with the children and teachers about how much fun it is to be the “adopted Grandy” for MiaBella.

I was asked to read a beautiful storybook titled, “Doug the Pug,” a story about kindness and helping others. After I read to the children, we spoke about the many ways to help other people. The students were very enthusiastic; I hope they will remember these life lessons, as they grow older.

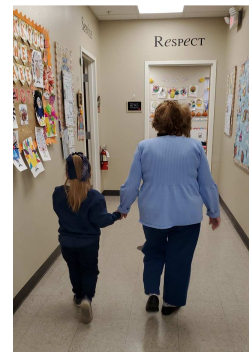

I was so honored to be invited to read, and would be happy to do so again, anytime. Oh yes, and I was able to join the children for a delicious treat afterward, cannoli from Hannaford in Glenville that they contributed to reward MiaBella.

I would like to thank Care Links and Terra for making it possible for myself and many others to enjoy our lives; it is so fulfilling to be a part of the Care Links family.

If you know someone who would also like to take part and have fun as I do, connect with Care Links today!

Happy Holidays,

*Miss Marilou Pries,
Official Care Links Care Receiver Ambassador!*

Care Receiver in the SPOTLIGHT

Terri Knowles

Pictured: Terri (right), Gigi (left), & Sophie (center)

Terri is a 77-year-old, retired waitress and home health aide for the elderly in Speculator, Hope and Wells. She is a widow, mother and grandmother who currently resides in Halfmoon, N.Y. with her beloved dog, Sophie.

She shares many fond memories about her life in the mountains with the deer and the lake of Wells, New York. Terri enjoys listening to her vast music collection of the Bee Gees and Michael Bolton and watching her favorite television show, Chicago Fire.

Terri has been a part of the Care Links Program since 2021, when her daughter contacted Care Links, concerned about her mother's loneliness during the day. They were looking for a volunteer who would provide companionship and help her to get out of the house occasionally for something fun to do.

Soon after, Terri was connected to volunteers, Gigi and Marilyn. They have both helped Terri to combat the loneliness and have become dear friends to her. Terri has shared that she "loves everyone she has met through Care Links, they are all so friendly and cheerful. They make me feel comfortable and supported."

Gigi provides the physical companionship and adventures outside the home while Marilyn provides ongoing support with reassurance phone calls. "Marilyn is such a joy to talk to; she brightens my day when I hear her voice."

When asked, how she makes the most of her time when she is with Gigi, they both smile as they say in unison, "we like to go out to lunch together, especially to Olive Garden for their tiramisu!"

When asked what she would say to someone thinking about being a part of the Care Links family... "Go For It! If I were younger, it would be a great thing for me to do as a volunteer. There are so many people who need volunteer programs like Care Links."

Our thoughts and prayers are with the friends, families, and volunteers of our loved ones who have recently passed away.

Ronald (Ron) Day
Joan Taglione

In Memoriam

Ronald (Ron) Day

with Love by Terra Maddalone-Ristau

A compassionate, gentleman (with bright blue eyes) who had the extraordinary ability to relate to the care receivers, families and volunteers alike has passed away, leaving a hole in the fabric of Care Links.

Ron spent his life giving back to his community and creating a legacy with his family as they followed his lead and now carry the torch along with his dear wife, Ann.

For over a dozen years, Ron provided many hours and miles transporting seniors to their appointments and assisting with errands. He was one of the most popular drivers by his "special ladies" he would transport.

From the first moment I met Ron, I admired his wit, grace and willingness to pitch in where needed, especially when asked to be a guest speaker at the 25th Anniversary of Care Links where he inspired many volunteers and guests in the room.

I will miss my hugs from Ron and his gentle smile. I thank his family for the love and support they provided him over the many years as a Care Links Volunteer and am grateful that Ron was part of the legacy of Care Links.

Administrative Reminders:

Care Links Gatherings- Benefits

Did you know that our monthly gatherings are as much for our volunteers as they are for our care receivers?

Look at the many benefits of attendance:

- ✓ Socialization with other volunteers, care receivers, staff, and community service experts.
- ✓ Education & Training on topics that affect our Elder population
- ✓ Team building
- ✓ Information about community resources

Care Links Gatherings- Transportation

Do you attend Care Links gatherings and have room in your car for one more? We are looking for Team members who will **provide transportation** to a Care Receiver who would like to attend.

Care Links Gatherings are for **all** to attend!

Volunteers are asked to share with their Care Receivers the information and RSVP for them. They are welcome to attend with their volunteer, friend, or family member.

Transportation Corner

Before accepting a ride in Ride Scheduler:

- Check all notes on the Care Receiver for important information under the Comment/Note Section for the Care Receiver on the Ride Request
- If you are not comfortable with any of the information provided in the notes, please do not accept the ride.

Once you have accepted a ride:

1. Call the senior **as soon as** you sign up for the ride.
2. **Call Again the Day Before to Confirm.**
(We have noticed that there has been some confusion on the part of the Care Receivers forgetting that you are picking them up.)
3. Be prepared to assist the Care Receiver to and from your vehicle (and their appointment) as they may have balance issues and a steady arm will be helpful.
4. Complete your Time & Mileage on Ride Scheduler System after the ride.

Ride Scheduler: Helpful Tips

1. Ask your care receiver if they have a handicapped vehicle tag (many do). If so, ask them to please bring it.
(Submitted by Steven Topper)
2. When you call your care receiver to confirm their ride, ask if they'd like a courtesy call when you're on your way to pick them up.
3. Should a care receiver not answer the phone/door when you arrive to pick them up, please call their emergency contact (listed in Ride Scheduler) or the office at **518-399-3262!**
4. Engage with your care receiver! Sometimes your friendly conversation is the only one that the care receiver may have that day. (Submitted by Steven Topper)

Easy Berry Oat Bars
