

Creating a Fundraising Page for Give65

Select Care Links of CAPTAIN CHS

- From the Care Links' page (<https://www.give65.org/CareLinks>), click the "Create a Fundraiser" button.

The screenshot shows the Give65 website interface. At the top, there is a navigation bar with the Give65 logo (Home Instead Charities) and links for Give, About, Nonprofits, and Connect. A search bar labeled "Find Organizations" is also present. The main header area is dark purple with the text "CAPTAIN Community Human Services Care Links Program". Below this, there are two buttons: "Create a Fundraiser" (white with green text) and "DONATE NOW" (green with white text). A large yellow arrow points from the top of the page down to the "Create a Fundraiser" button. On the left side, there is a sidebar with the Care Links logo (a house with a compass rose) and the text "CARE LINKS A program of CAPTAIN Community Human Services". Below the logo, there are options to "Add to favorites", a phone number "518-399-3262", and "Share page" with social media icons for Facebook and Twitter. The address "543 Saratoga Road, Glenville, NY 12302" is listed. At the bottom of the sidebar are icons for email, Facebook, Instagram, Twitter, YouTube, and LinkedIn. On the right side of the page, there are tabs for "Overview" and "Volunteer". Below the tabs, there is a paragraph of text: "The mission of Care Links is to link those in need with those who care by recruiting and training volunteers to provide non-medical support services to community residents 60 years and over, allowing them to age in place. CAPTAIN Community Human Services supports and empowers people of all ages to reach their goals of personal growth and self-sufficiency. We strengthen communities." At the bottom of the page, there are two small images: one showing a person with the text "in need of care" and "LINKS", and another showing a person looking at a screen.
