

How To Host a Facebook Fundraiser

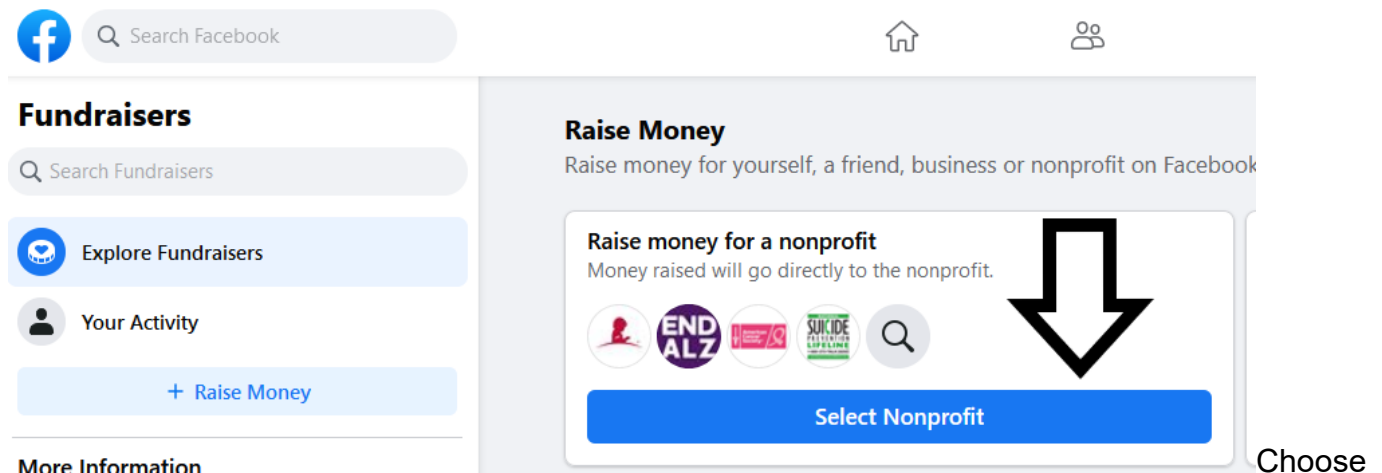

<https://www.facebook.com/fund/CAPTAINCHS/>

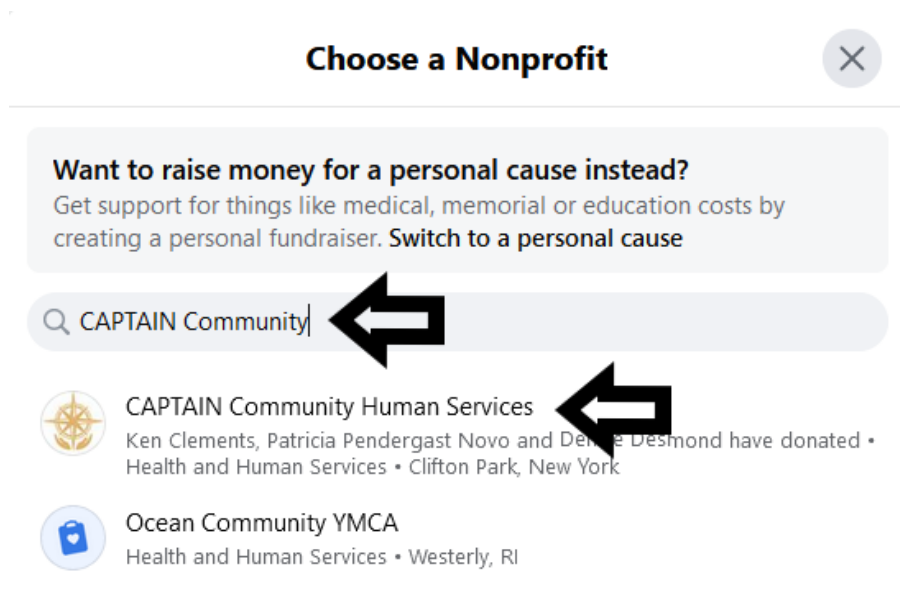

1. First, start out by scrolling down the left-hand menu to “Fundraisers.” Or, *click here to immediately start fundraising for CAPTAIN CHS: www.facebook.com/fund/CAPTAINCHS/*

2. Select *Raise money for a nonprofit* by clicking “Select Nonprofit.”

3. Type in “CAPTAIN Community Human Services” and choose the listing from the menu below.

4. Voila! Your screen should look similar to the following.

The screenshot displays the Facebook fundraiser creation process. On the left, the 'Details' section includes fields for the fundraiser type (Cap Development), the nonprofit (CAPTAIN Community Human Services), the goal amount (\$200), the currency (US Dollars), and the end date (Oct 19, 2020). A large blue 'Create' button is at the bottom. On the right, a 'Desktop Preview' shows the fundraiser's public page. The preview features a banner with the text 'Stronger Together.' and a goal section indicating '\$0 raised of \$200' with '15 days left'. The 'About' section contains a personal message from the creator.

5. On the left-hand side, enter your fundraising goal. Most fundraisers set this at \$100-250, but aim for whatever amount makes sense to you.

This close-up view of the fundraiser details form highlights the 'How much money do you want to raise?' field, which contains the value '200'. A large black arrow points to this field. Other visible fields include 'Select Currency' (US Dollars) and 'When should your fundraiser end?' (Oct 19, 2020). The form is titled 'Details' and shows the fundraiser is for 'CAPTAIN Community Human Services'.

6. Select an end date for your fundraiser. Usually it's between one week and one month.
