## About Job Assist

Job Assist is a **free** youth employment matching program for students/young adults and local employers, provided by CAPTAIN Community Human Services in partnership with the Saratoga County Youth Bureau. This program supports the enrichment of youth in our community and strengthens our local economy.

**How it works:** This free service is available to youth ages 14-21 who reside in the Shenendehowa Central and Burnt Hills-Ballston Lake School Districts. Students interested in a job match sign up to receive job notifications that match their skills and interests.

**Students** receive job matching support and employment readiness skills related to interviewing, resume preparation, understanding the hiring process and setting professional expectations for the world of work.

**For more information** visit our website at [captaincares.org](http://captaincares.org), call 518-371-1185, or contact our staff directly:
