2020 marks Jaeger & Flynn's 17th Annual "Grip It 'N Rip It" charity golf tournament to support organizations that provide valuable resources and services to individuals and families in our local area.

We are proud to announce that **CAPTAIN Community Human Services** will be the beneficiary of this year's tournament.

The funds raised are going to support **CAPTAIN CHS'** Street Outreach Program and most specifically their efforts to support youth who have been identified as high risk, or are confirmed survivors, of human trafficking. The grant money supporting this specific program was discontinued and the current projection is that they will be \$50,000 short to maintain it. JFA is pleased to support this program so that the impacted youth can continue to get the services they need to heal.

- **Tom Flynn & Kurt Jaeger**
